

## **SHE JUST CAN'T MAKE UP HER MIND**

Writers: Jay Graydon, Bill Champlin, Janey Clewer

Main Artist: Bill Champlin (on Jay Graydon's AIRPLAY FOR THE PLANET)

She changes moods like she changes her clothes  
And you know it's all fine – she's capable of anything  
But she just can't make up her mind

The only problem is that I never know who she's gonna be at any given  
time

She can be anything but she just can't make up her mind

(Hey but) sometimes, surprise surprise  
She makes sweet love like the first time or last time  
I don't really care that she just can't make up her mind

She's as sultry as the southern breeze if she's not turnin' on a dime  
She can take you anywhere but she just can't make up her mind

She can keep me beggin' down on my knees  
Or she can give it up all night  
Ya know she's been everywhere  
And she still can't make up her mind

(Hey but) sometimes, surprise surprise  
She makes sweet love like the first time or last time  
I don't really care

(guitar solo)

She could turn me into yesterday's news. I think I know why I don't mind  
Eventually she'll turn around 'cause she just can't make up her mind

(Hey but) sometimes, surprise surprise  
She makes sweet love like the first time or last time  
I don't really care that she just can't make up her mind

(guitar wire choir to fade out)
